Jim Morris
The "Oldest Rookie"
317 South Sidney Baker Street
Kerrville, TX 78028

Dear Jim:

On behalf of the Texas Credit Union League and the Training & Events department, I would like to thank you for being part of the 2010 Leadership Conference & Expo recently held at the Marriott Rivercenter Hotel in San Antonio, Texas. This conference was highly successful and you were a fundamental part of it.

In your closing keynote session, "**Never Giving Up on a Dream**", you were rated overall a **4.90** out of a possible 5.00 (1=Extremely Dissatisfied, 5=Extremely Satisfied). I'm attaching the evaluations and comments (good and bad) for your review.

Jim, let me say first, thank you so much for "pinch hitting" for our speaker who had to cancel. I hit a homerun with my CEO. He was so thrilled to have the signed baseball that you brought. I am so appreciative of your kind gesture. And as you can see by the comments from our attendees, you were just what the doctor ordered. One attendee stated "What a blessing you had him in the dugout!" I couldn't have said it any better! I will sing your praises to my peers out in credit union land.

Again, we appreciate all your time and effort on our behalf and hope you enjoyed your experience with us as much as we enjoyed having you.

Sincerely,

A handwritten signature in cursive script that reads "Cookie".
